

# All About Priests!

## FALLING LETTERS

The letters that make up the message about priests have dropped below the boxes. To solve the puzzle, you will need to use the letters that sit vertically in a row below the empty boxes that you are trying to fill. Move the letters in each vertical row back into the boxes where they belong. When you complete the puzzle, read the message about priests.

Hint: Rows 1 and 2 are done for you as an example.
