Lesson 10

God Visits Mount Sinai

God wanted the Israelites to know that He was the Lord their God. God loved His people and wanted them to be His special people on the earth. But He also wanted them to see His power and to respect and honor Him.

Three months after the Israelites left Egypt, God led them to a mountain called Mount Sinai. God called Moses from the mountain and told Moses what to say to His people.

God led the Israelites to Mount S_____.

The Lord told Moses to tell the Israelites, “Now obey Me completely. Keep My covenant. If you do,....You will be My holy nation.”

God told Moses that in three days He would come to Mount Sinai so that the people could hear Him. But first they had to be clean. For two days the people washed themselves and their clothes so they would be clean before God. Moses warned the people not to come too close to the mountain or they would die!

What did the people have to do to get ready to hear God speak? Circle one:

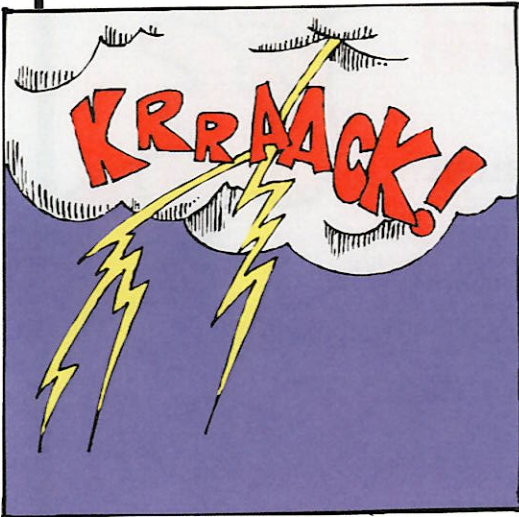

bow down

eat dinner

wash themselves and their clothes

On the third day, God appeared to the people. That morning, thunder roared. Lightning flashed. A thick cloud covered the mountain. The people shook with fear as they heard a very loud trumpet sound from the mountain. God came on the mountain like a fire. The whole mountain shook. The trumpet sounds got louder and louder. Moses began to talk to God. God answered him with thunder! Even *Moses* was afraid.

The Lord was showing the Israelites His power and that He was the Lord their God. The Lord wants *us* to know that He is our God and we are His people. We honor God by loving Him and keeping His commandments.
