Satan's Tactics

Satan uses many tactics to try to influence us to sin. We need to recognize the tactics when we see them so we can avoid them. Read the statements and sort them into three categories by placing the number in the correct column. Some may belong in more than one category.

1. you're busy with a lot of homework
2. you lose track of time while listening to music and forget your chores
3. a movie comes on tv that your parents said not to watch
4. Sunday is a good day to sleep in
5. someone offers you answers to your next test
6. a friend calls you names because you read your Bible
7. someone throws a brick through the window of your church building
8. you send and receive thousands of texts every month
