BAD INFLUENCES

When the Israelites moved into the land of Canaan, God told them to drive out the people of other nations who lived there. Israel did not listen, and the Canaanites encouraged God's people to do sinful things such as worship idols. In the box below, write at least two sentences explaining the definition of "idol." If you have room draw a picture of what an idol might look like.

In this box, tell what you can do to stay away from bad influences.
